

SGA Mourns the Loss of Dr. Resat Keles

Over the Thanksgiving holiday, SGA lost a respected faculty member, Dr. Resat Keles. Dr. Keles taught Astronomy and Artificial Intelligence/Data Science, as well as a college Physics course for seniors. Dr. Keles was a content expert, a learned man, and a valued member of the faculty. Students and faculty were greatly saddened to hear of his passing, and he will be missed. We are grateful to have known him, even for a short time. We pray for his soul. May He Rest in Peace.

Ring in the Holiday Season - SGA Style

On December 17 at 11:30 AM, SGA held its annual Christmas Concert in Saint George Ukrainian Catholic Church.

The performance included a traditional Ukrainian "Vertep", which the students performed under the guidance of Ms. Iryna Chuyan, SGA Ukrainian Studies and ESL teacher, as well as melodious solo and group performances by the SGA Choir led by Ms. Anya Bachynskaya and Principal Andriy Stasiw. The students sang in numerous languages, including English, Latin and Ukrainian.

On behalf of the SGA student body we would like to wish you and your family a Blessed Christmas Season and a Happy New Year!
